

The fifth 24 Hours of Le Mans revival date is fixed:
Next Le Mans Classic will be held on 9, 10 & 11 July 2010.

The themes of the meeting will be announced in the future
and the entry forms will be sent by September 2009.

*This official announcement in early February 2009 should help
to avoid a clashing date with the Goodwood Revival.*

Le Mans Classic in a nutshell

Through four meetings, the Le Mans Classic has established itself as a must do event, maintaining its participants –drivers, clubs, exhibitors- and attracting more and more public (nearly 100,000 in 2008)

The Founders

The ACO, creator and organiser of the 24 Hours of LeMans and Peter Auto, motor racing events promoter.

The Date

9/10/11 July 2010

The Competition

396 cars (+ 78 reserve cars), or sister cars which have participated in the 24 Hours of Le Mans between 1923 & 1979 will be on the track. They are split, according to their period, into 6 grids. To follow tradition, the drivers form a team with a car from each grid. Tradition always, the start of the race given at 16:00 on Saturday to finish at 16:00 on Sunday. A false Le Mans-type start will precede the formation lap for the concerned grids.

Brand new in 2010, the first start will not necessarily be with Grid 1.

The Clubs

The clubs are the Le Mans Classic privileged hosts. The "Make Clubs Enclosure" hosts the cars gathered by manufacturer, while the multi-make clubs and private owners form the "Collectors Enclosure". "Le Mans Heritage Club" is the most exclusive of the clubs, cocooning 24 proper 24 Hours chassis which are not competing.

The Automobilia

The village is made of two hundred exhibitors, artists and automobilia specialists.

Little Big Mans

The 2008 big success! With seventy mini-cars -perfect copies of those used by the adults- driven by impetuous juniors from 6 to 13-year old, future is under control!

The Website

www.lemansclassic.com : the 2010 version will not be on line yet
