

Classic Road Movie

Classic car fans will be able to discover the 20th edition of the **Tour Auto Optic 2000**. An incredible epic; with over 220 racing cars and a warm tribute to coachbuilder Zagato. From Paris to Biarritz passing through Poitiers, Objat, Bordeaux and Pau: a journey to be shared with the whole family.

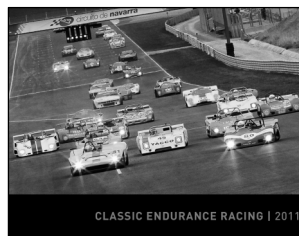

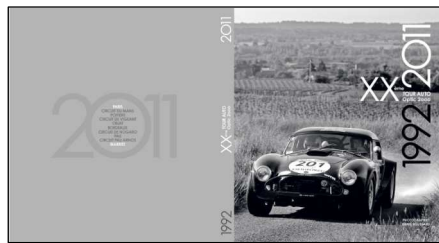

Enjoy the "**Grand Prix de Pau Historique**". After a two year absence, seven grids made up this major event. From single seaters to GTs without forgetting the popular Mini Classic, the participants all illustrated themselves on the ephemeral Pau city track.

Relive the first edition of "**Spa Classic**", a retrospective staging fierce battles on one of the world's most beautiful circuits.

Return to the future!

In 2012 on 6-7-8 July the 6th edition of **Le Mans Classic** will be held on the exceptional Le Mans circuit. Recognised as one of the most important classic cars events in the world, this retrospective of the 24 Hours of Le Mans allows enthusiasts and aficionados, men and women, young and older to relive the hours of glory of endurance racing. For Christmas, the Le Mans Classic Privilege Package offers a VIP access for one or two days. On the programme: general admittance and private grandstand, VIP car park, shuttles, access to the Privilege Area at the heart of the circuit, personalised welcome, lunch, Open Bar... surrounded by 450 racing cars on the track for 24 hours non stop.

In addition to the competition, the guests will be able to enjoy the parades, the Club enclosure with over 7000 cars, shopping in the Automobilia village or cheering on the budding Little Big Mans drivers. And for those who want more, different options are possible such as an excursion in a military jeep, a track lap on the big Le Mans circuit or a helicopter flight above the track.

A not to be missed appointment to relive the great hours of the 24 Hours of Le Mans.
